ITALIAN MARKET

Located in the heart of St. Petersburg, Mazzaro's started out as a family owned and operated coffee roasting establishment in 1993; then in 1996 Mazzaro's Italian Market opened in a new location and has grown into a favorite destination for locals and travelers alike. With a large selection of Italian and other specialty products, Mazzaro's is one of those special places where everything is made fresh and prepared daily; where the sights, sounds, and smells transport you to another place and time.

When you walk into the market, the first thing you'll notice are the vibrant colors. At the Meat & Seafood department you'll be able to find cut to order meats, in-house dry-aged steaks, and locally caught seafood. You'll love the local, organic and conventional (sometimes unconventional) selection of our produce department as well!

The next stops in the market are the breathtaking Wine & Cheese rooms. In the wine room, you will find the walls and shelves lined with a variety of thousands of the best imported and domestic wines. Chat with our knowledgeable wine guys to find the best option for your palate! Our cheese department is one of the largest in the state of Florida with over 300 different varieties of cheese from all corners of the globe (with focus on Italy of course). Our personable Cheesemongers are eager to offer samples and answer any questions.

As you explore the market, you will notice the bustling sights and sounds of the deli. Find freshly prepared foods from soups and sandwiches to entrees and sides. You can take it home or dine in and relax on our covered patio. If you feel inspired to cook an Italian meal at home, check out our Fresh Pasta department adjacent to the deli where you will find house-made pasta and sauces.

Our bakery offers a large variety of hand made Italian breads and pastries daily: Crusty Italian, Semolina, Ciabatta, Focaccia, Sfogliatelle, Cannoli, Éclair and a wide selection of your favorite Italian cakes. We also have daily specials and seasonal favorites that will make your mouth water! When you're here don't forget to try our house-made Gelato, either!

Lastly, visit our coffee bar and watch our experienced baristas create delicious flavors you won't find anywhere else. We select the finest beans from around the world and roast daily for freshness that can't be matched.

From fine wines and cheeses, the freshest meats and seafood, house-made pastas, artisan baked goods, to a variety of house roasted coffee and so much more; discover a shopping experience unlike any other at Mazzaro's Italian Market!
